*For Thread binding custom, please choose from two kinds of patterns, change only "Pin Thread bind color", or change "Set thread bind color". Unable to combine both options.

*The "Set thread bind color" is a combination of two colors, the main color and the sub color, and combinations are based on the rod specifications.

*The thread color of the multi shaft cannot be changed.

Custom Charges	• Thread set color change 5,000yen
----------------	------------------------------------

(PIN THREAD COLORS)

-  01.Silver
-  02.Champagne Gold
-  03.Metallic Red
-  04.Metallic Copper
-  05.Metallic Pink
-  06.Metallic Blue
-  07.Metallic Gray
-  08.Black Non pin thread

*For Thread binding custom, please choose from two kinds of patterns, change only "Pin Thread bind color", or change "Set thread bind color". Unable to combine both options.

*The pin thread will be based on the original rod design. However, if the original uses two colors, they will be unified with the single custom color you select.

*Changing the pin thread color applies to all pin threads on the rod.

*The thread color of the multi shaft cannot be changed.

Custom Charges	• Pin thread color change 2,000yen
	• 08 (Non pin thread) 1,000yen
